

FUNTIME PRE-SCHOOL

SPRING TERM CURRICULUM (Jan - Feb)

Week commencing	Theme/topic	How you can help
w/c 2/1/12 w/c 9/1/12	Welcome back, lets settle in	After such a long break, the children may take a little while to settle back into the pre-school routine. We will share our experiences over the Christmas holidays, please let us know of any exciting events which we can encourage the children to talk about. Photos would be great!
w/c 16/1/12	Little school bird watch! (A national study)	We will be counting the birds we see in our environment. Attempting to identify and name them. If you have any reference books or pictures which could help, please share them with us. Bird Watchers very welcome!
w/c 23/1/12	Let's Cook	Every day will be a surprise; we will introduce different recipes and cooking styles. (will let you know nearer the time ingredients which will help)
w/c 30/1/12	The magic of movies	All children have a favourite movie. We will celebrate the most popular movies, encouraging the children to recall their favourite characters and recreating some scenes.
w/c 6/2/12	Valentines	Lots of creative activities. Preparing decorations for our valentines disco.

If you find you have some spare time, please come and stay and play with the children. They really enjoy visitors and if you have anything special to share with them, such as your profession, a talent or sport. This will support their learning!
