We really want to offer your child, the best pre-school experience ever! To do this, we would really appreciate your help, by asking you to provide us with some information about your child, which will help us to offer them all the things they enjoy.

Please complete the questions below and I promise we will create some wonderful experiences focused on your child.

1. My name is _____
2. My favourite TV programme or film is _____
3. I really enjoy playing with _____
4. My favourite food is _____
5. For a special treat I like _____

We value you the parents, as your child's first and foremost educators and you are always very welcome to come to pre-school, even for a short period of time. The children love having visitors and your own child will feel very special to have you there.

Once you've completed this form please hand it to your child's key person at pre-school.

Thank you
