

Funtime Pre-school Ltd

The Early Years Foundation Stage

Our aim is to provide the best all round care and education for your child. To achieve this, it is important that we share our professional knowledge not only with you, your child's first and foremost educator, but also with other people who your child may spend time with. This includes other pre-schools, nurseries, child minders and other carers such as family members.

This information sharing can be very informal and it will help us to support your child's learning and development in the best possible way, by working towards the same goals.

If your child attends another setting, goes to a child minder or is cared for by other family members, please provide their details below.

Thank you.
