

Help!!

As you are all aware, Funtime is a non-profit making registered charity. We are managed by a committee of parents, all volunteers and all unpaid. These wonderful people do a great job of keeping our pre-school on track. We run to a tight financial budget, and so the committee work to raise extra funds for pre-school by arranging different activities. This extra money helps us to replace worn out toys and equipment, and to buy new ones.

Our current committee is just 5 parents, and they really need some support to enable them to continue their fantastic work this academic year. We currently have a Chair, a Treasurer, a Vice Treasurer, a Secretary and a head of fundraising. We desperately need more parents to support them.

What can you do to help?

1. Join the main committee

- come along to the meetings, which are usually once every half term
- take an active role in the running of pre-school and in decision making
- help to plan and implement the activities for the year

2. Join the fundraising team

- No need to attend full committee meetings but available to attend fundraising meetings
- Actively help to put together the pre-school events

3. Volunteer as a “committee helper”

- Be available to help out with activities like serving refreshments, selling raffle tickets, setting up events like the sports day and summer fayre
- No need to attend committee meetings or fundraising meetings
- Provide details for us to be able to contact you when we need help so that we can add your name to our “Helpers List”.

If you are interested in helping in any way please complete the slip below and put it in the red fees box and someone will contact you.

If you have any questions please ask any member of staff or those on the committee at the moment. The current committee all have yellow pigeon hole cards with their name underneath their child.

We really need your help to make Funtime a great place for our children. Thank you.
