---

Dear Parent/ Carer,

In an attempt to communicate more effectively with parents, and also to reduce paper consumption, Pre-school is going to start to email our monthly newsletter to parents. January's edition of the Funtime newsletter will be emailed, and will also be put into all children's pigeon holes as a paper copy for NEXT MONTH ONLY.

If you would like to continue to receive a paper copy, please fill in the form below and place it in the red fees box in the foyer. If you are able to support Pre-school in reducing our paper consumption, and therefore only receive an e-copy of the Newsletter (which will be in a pdf format), you don't need to do anything. You can of course change your preference at any time by emailing [administrator@funtimepreschool.org](mailto:administrator@funtimepreschool.org).

Thank you

Katie Jump  
Communications Secretary
